3. ASSESSMENT: PROCEDURES, ASSESSMENT AND QUALIFICATION CRITERIA

Yes, some changes/adaptations have been made to this section:

Only the ordinary call, continuous assessment is modified in the following way:

- Instead of three assesment exams with a total score of 80%, the evaluation will be carried on two online exams with a total score 60% of the final evaluation. One exam will be theoretical focusing on CE1, CE2 and CE4 and the second one will be based on problems resolution for evaluating criteria CE3.

- CE5 and CE6 will be evaluated through an assignment in which students must develop a topic in groups of 2 to 4 persons, writing a document and presenting it online to the class. This assessment will represent 20% of the final evaluation.

- The laboratory assessment weight will be 20% instead of 10%.

- The self- assesment quizzes will provide an extra 0.5 points (weighted to the obtained score) in the final evaluation.

4. COMMENTS

Tutoring can be done online until the end of all open exam sessions.
