

María-Ángeles Martínez (BA, MSc, PhD) is Associate Professor at the Modern Languages Department of the University of Alcalá (Madrid). After graduating from the University of Santiago de Compostela (Spain), she obtained a Master of Sciences in Teaching English at Aston University (Birmingham, UK), and a PhD in English Linguistics at the Complutense University of Madrid. Her research is in the field of cognitive literary linguistics, narrative discourse analysis, and cognitive narratology, and has been published in journals such as *Language and Literature*, *Journal of Literary Semantics, Narrative*, and *Poetics Today*, as well as in collective volumes. She is the author of the monograph *Storyworld Possible Selves* (De Gruyter, 2018), an application of cognitive linguistics to the study of narrative engagement and emotion, and has participated in several national and international funded research projects. She is currently the head researcher of the project “Narratology, Linguistics and Cognition: Interdisciplinary Studies on Storyworld Possible Selves, Narrative Intersubjectivity, and Engagement” (NARRALINCOG) (Ref. PID2020-114255RB-I00), financed by the Spanish Ministry of Science and Innovation.

ORCID: 0000-0001-6473-1249

María Ángeles Martínez es profesora titular en el Departamento de Filología Moderna de la Universidad de Alcalá (Madrid), donde imparte docencia en la especialidad de lingüística inglesa. Su investigación se desarrolla en el campo de la lingüística literaria cognitiva, análisis del discurso narrativo, y narratología cognitiva, y ha sido publicada en revistas como *Language and Literature*, *Journal of Literary Semantics, Narrative* y *Poetics Today*, así como en volúmenes colectivos. Es autora del volumen monográfico *Storyworld Possible Selves* (De Gruyter, 2018), que aplica la lingüística cognitiva al estudio de la inmersión narrativa y la generación de emociones, y ha participado en varios proyectos competitivos de investigación financiados, a nivel nacional e internacional. En la actualidad es investigadora principal del proyecto “Narratología, Lingüística y Cognición: Estudios Interdisciplinarios sobre Autoesquemas Posibles de Ficción, Intersubjetividad Narrativa, e Inmersión” (NARRALINCOG) (Ref. PID2020-114255RB-I00, MICINN).
